**Statewide Contracts
Authorized Users**

**NOTICE OF STATE SECURITY
CONFIDENTIAL INFORMATION**

Authorized Users:

Thank you for your interest in utilizing Statewide Contracts. This letter serves as notice that some statewide contracts issued by the State of Tennessee Central Procurement Office have been identified by the Department of Finance and Administration, Strategic Technology Solutions as containing information that is confidential under an exception to the Public Records Act.

In order for the State to comply with this requirement and as a condition to receive information related to covered Statewide Contracts, Authorized Users who are interested in participating in Statewide Contracts containing confidential information must sign and return the attached acknowledgement of this State Security Confidential Information Notice and return it to the Central Procurement Office at Stephanie.Landmark@tn.gov

Statewide Contracts

Authorized Users

STATE SECURITY

CONFIDENTIAL INFORMATION

ACKNOWLEDGEMENT

The entity listed below, who is authorized to and who may purchase off of the State of Tennessee Central Procurement Office Statewide Contract ("Authorized User") acknowledges as follows:

1. The Authorized User is aware that certain information contained in Statewide Contracts may contain information that is confidential under an exception to the Tennessee Public Records Act ("Confidential State Data"). In particular, information that is confidential under Tenn. Code Ann. § 10-7-504(i) includes but is not limited to:
 - a. Information that would allow a person to obtain unauthorized access to confidential information or to government property. "Government Property" includes electronic information processing systems, telecommunication systems, or other communications systems of a governmental entity.
 - b. Plans, security codes, passwords, combinations, or computer programs used to protect electronic information and government property.
 - c. Information that would identify those areas of structural or operational vulnerability that would permit unlawful disruption to, or interference with, the services provided by a governmental entity.
 - d. Information that could be used to disrupt, interfere with, or gain unauthorized access to electronic information or government property.
 - e. The identity of a vendor that provides goods and services used to electronic information processing systems, telecommunication and other communication systems, data storage systems, government employee information, or citizen information to the State.
2. The Authorized User agrees to safeguard and hold in strict confidence all Confidential State Data and shall not disclose the Confidential State Data to third parties except as required under state or federal law.

3. To the fullest extent allowable under applicable law or regulation, the Authorized User shall promptly notify and provide to the State a reasonable opportunity to oppose any disclosure required under state or federal law.

This acknowledgement shall be effective as of the date signed below:
